### Geese Are Gone From Local Market

German Prune Comes to Cheer the Heart of the Boarder.

Several varieties of fish have now dis appeared from the market, among them Utah catfish, mackerel and brook trout. Nothing new has been received in their place, but there has been no change in the market price of the others. As to fowls, the goose is now an unknown quantity,

Thirty Years in Salt Lake

After 45 years' study of Nature and her laws along special lines, my superior advantages and ability go without saying, and I unhesitatingly declare, and my unparalleled record as a successful specialist in private diseases of men backs up my claim, that more men have been cured by me of VARICOCELE, HYDROCELE, NERVO-SEXUAL DEBILITY, BLOOD POISON and REFLEX DISORDERS within the last 35 years than by any specialists in the United States combined. This fact is self-evident and indispitable, and, with my rates more reasonable, and treatment more successful, you do wrong to experiment with concerns whose methods are being frequently changed, and whose doctors are the scrapings together of transient and defunct concerns. Courtesy demands that we mention no names in a newspaper, but if you come to my office, I can furnish some valuable information with the proofs so conclusive that you will not regard them as selfish arguments.
